## The News.

Miss Cleveland is religiously opposed to dancing.

Secretary Lamar is ill, and confined to his home.

It is reported that hundred's of the Mahdi's men are deserting to the rival prophet daily.

The four Senators from South Carolina and Arkansas have only five legs under them.

There are said to be 534 seamstresses in New York city, each of whom earns only one dollar per week.

The English government is chartering American steamships for use in the event of war with Russia.

A message from Osman Digma, bearing a flag of truce, arrived at Suakim, March 30, asking terms of peace.

The invading forces from Guatemala, on March 30th, made an attack upon the army of San Salvador. No particulars received.

The House of the Texas Legislature passed a bill opening to actual settlers the public lands reserved for railroads, the reservation having lapsed.

President Cleveland has been waited upon by a delegation of ministers with memorials, earnestly urging him to enforce the Edmunds anti-polygamy act.

The Indians of Winnebago Reservation are on the war-path, and settlers are forced to flee. Buildings and property are being burned. A sheriff's posse was called out.

General Hatch has been ordered to Oklahoma Territory to destroy the ranches of cattle men who refuse to remove at the order of the Interior Department of the Government

The Department of Justice has received a check for $20,000, through the New York Treasury, from a former clerk of the United States Court in that State, the same being for fees witheld.

A serious outbreak of disease, resembling cholera, has occurred at San Felipe de Javita, Province of Valencia. Fifteen persons died within twenty-four hours of colic, with choleric symptoms.

A special to the *News* from McAllister, Ind. Ter., says that a terriffic explosion caused by coal dust occurred on Friday evening in Mine No. 7, at that place. Eleven miners were instantly killed.

There is not a saloon open in Topeka, Kansas. Seventeen whiskey sellers are serving terms in prison for violation of the law, and fines collected from saloonists in the county for the past year amount to $11,500.

It is said that a proposition was submitted to President Cleveland by Dr. de Meza, on behalf of Columbia, having reference to the acquirement by the United States of commercial supremacy in the South American States.

Peace between England and Russia was believed, but not known to be secured. Two important concessions, made by the former to the latter government, constituted the ground for this belief; it is, however, supposed by later accounts, that war is imminent.

The French have been fighting the Chinese for some time, but there has been no formal declaration of war as yet. It is believed, however, that the late defeat of the French will result in the declaration of war, and a bloody siege.

Ex-Attorney General Brewster declined a sumptuous dinner tendered him by the judges and leading members of the Bar of Philadelphia, because he "did not desire to participate in a public feast while so many find it hard to get a meal."

A mountain of soap has been discovered in Perry county, Ohio, according to a dispatch to the Cincinnati *Enquirer*, which promises to enrich the finders who have leased large tracts of the land and formed a company to work the mine. Nothing of this kind has ever before been known. The deposit is located about six miles east of Corning.

The woods around the Tunker church on the Antietam battlefield, Maryland, says the Baltimore *Sun* have been cut down and the trees sawed into lumber. Mr. Cornelius Smith had the contract for the sawing of this timber, and he says it was dangerous work. The saw was broken by striking into a fragment of shell. In another tree it cut through an iron grape-shot leaving a polished surface to the missile. Many leaden bullets, which offered but little obstruction, were revealed. During the course of the summer over two pounds of shell and canister and as much more of leaden bullets, were taken out of the lumber.

## A Desirable Move.

It is said that arrangements are being made which will insure the holding of regular church services at the school house the coming season. We have a gentleman among us who possess every qualification for conducting union services. People who heard the eloquent and practical sermon of Mr. J. H. Worst at Mr. Roop's last summer, are desirous of again listening to him. If the matter is not yet settled, if possible, it should be at once. There is not a man, woman or child in Williamsport or neighborhood who does not desire it.—WILLIAMSPORT (DAK.) RECORD.

"It is truly a marvel of skill and a triumph of modern mechanical art that such a noble volume can be furnished at so small a cost.
